CLOSURE OF THE HARRIS HILL ROAD BRIDGE AND ROADWAY DETOURS

Effective Friday November 3, 2023, Luzerne County has notified Kingston Township that it will be closing the Harris Hill Road Bridge at the intersection of State Route 309. The roadway and bridge, as well as the southbound Harris Hill Road turning lane on Route 309, will remain closed until reconstruction work is completed on the bridge. Luzerne County and PennDOT will be constructing barriers and redirection signage for the project. The project is expected to be started during the 2024 construction season.

All local residents are advised to re-route their travels from Harris Hill Road to either the Center Street Bridge at Route 309, or the Carverton Road Bridge at Route 309. PennDOT will be re-timing traffic signals to adjust for the new traffic patterns.
